

James Page (known as 'Preppy')

3rd June 1965 - 16th October 2020

We are sad to announce the death of Sternian James "Preppy" Page on October 16th, following a brave two year battle with brain cancer. James went to LWC in 1979-1981 at Sutton House. He had a great sense of humour, was full of fun and had an open and endearing personality, making him a popular member of the year group. It was great to see that he had hardly changed when we met up with him at a reunion nearly 30 years later.

He was also a very good prop at LWC and made it to the 1st XV when only in the 5th form (year 9); and unlike most props, he was also a pretty good cross country runner.

James went on to qualify as a chartered surveyor and had his own successful business in the commercial property market. He is succeeded by his wife Susie and their two twin children, Angus and Emily. Our thoughts, prayers and sympathy are with them all.

James with other Sternian, Tim Curry, back in July. The pair of them stayed close friends since 1981.

James at a reunion back in 2012 with Tim Hunt, Liz, Kate and Dave Smith.

With Tim and Steve Davidson at our 2015 50th birthday reunion
